As a valued listener of our station, we wanted to reach out and let you know about our annual November appeal. As a fully listener-funded Christian radio station, we rely on the generosity of our supporters to continue our mission.

We are proud of the strong base of support we have developed over the years and what we have accomplished together. We want to continue moving forward and building hope in our communities. We can keep building hope and speaking life by offering our listeners inspiring and uplifting content!

Listeners like Angela *"I listen Daily! I have you playing in my home, in my car, Everywhere! You're all part of my kingdom family! Thank you!"*

Your tax-deductible gift today is an investment in helping turn more eyes to the Life of Jesus, change more hearts, encourage those who need it ... and speak more Life into your family, friends and neighbours.

Will you share your best gift with us today?

Whatever amount you can donate, your most generous gift will help us reach our goals, strengthen the church, and spread God's love to our community. Every contribution matters and makes an impact!

We understand you receive many requests for donations now and that finances can be tight. But we hope you will see the value of investing in our mission and consider supporting our efforts with your best gift.

Thank you for being a part of our mission, and we hope you will consider supporting our annual November appeal. Together, we can make a difference and continue positively impacting the lives of our friends, families and communities.

Frequently asked questions

How will my donation be used?

How much of my donation goes directly to supporting the mission of the radio station?

100% of your donations go to operational costs and funding vital community projects.
